2010 SEI/ASCE Student Structural Design Competition

The Structural Engineering Institute of ASCE is sponsoring a structural design competition for universities.

Innovative projects demonstrating excellence in structural engineering are invited for submission.

Awards include cash prizes and an opportunity to present the designs at the 2010 SEI Structures Congress in Orlando, Florida May 12–15, 2010.

**Deadline for Submissions:
January 14, 2010**
